

The Wind Sock

The newsletter of the Lake City Radio Control Club (LCRC)
Issue #037 July, 2012 AMA Club Charter #3948

lakecityrc.com

There will not be an official club meeting July 1st. Instead there will be a day of flying and a picnic. Everyone is asked to bring the food that they want to eat and drink and we'll use the club grill to cook around 2 pm.

Right now (Thursday morning) the weather forecast for Sunday is 5 mph SW wind, temp 85, clear. If the weather turns bad, all plans are off!

My son and I will be mowing Friday and we'll check out the condition of the field.

Club News: (This will be a short newsletter this month).

Meeting Minutes of the June 3rd, 2012 meeting:

Meeting was called to order by Charles Artley at 2:15 p.m.

1. Bob Wheeler read the minutes from the May 6th meeting. Motion to approve by Terry McGee, seconded by Bob Wheeler. Minutes were approved.
2. There was no Treasurer's report since Mark Witt was not present.

Old Business:

The discussion about the lockup of the mowers was continued from the last meeting. Several options were discussed. Chad Adkins will provide the puck lock. Norman Green has access to a welder and Jim Pearce will look to see if he has any steel that could be used.

As a backup plan, Terry McGee said he has talked to his son-in-law and he can do the work and would be willing to give a quote on the costs. He is a very good welder.

New Business:

1. July cookout: It was decided that instead of a meeting in July, we should have an informal cookout. So it was agreed to have a "fly and eat" day on Sunday July 1st. Everyone should bring their own food. We will use the club grill to cook. A motion was made by Charles Artley to skip the meeting on that day and seconded by Bob Wheeler. All agreed. The next official club business meeting will be August 5th.

2. Solar charger: The battery needs to be tested and replaced if needed. Chad has a meter and will check it today.
3. The mowing schedule was put together for July: (Next month I'll send this out at the beginning of the month and it will be on the website.)

June 7 – Terry and Charlie

June 14 - Bob and Jim

June 21 – Terry and Charlie

June 29 – Bob and Billy

No more business.

Motion to adjourn by Bob Wheeler, 2nd by Chares Artley.

More plane pictures:

Bob's next plane-Sr. Falcon (Almost finished)

**2 Yr old Ancient history- Bob's Nexstar dirt dart!
Fully repaired and flying.**
