Club News:

Club Charter and land owner's insurance renewal:

I received the charter renewal packet from the AMA headquarters. All the requested information was completed and the paperwork sent with the dues check back to AMA. I know they received it because I received a copy of the land owner insurance. AMA mails the original insurance copy to the owner. This was a change started last year.

I expect that we will receive our charter any day now. AMA did update the Safety Officer to Curtis McCallister on the AMA roster page.
